GETSCO Ag Services Expands... Again!

GETSCO Ag Services is starting 2012 with growth! We are excited to introduce two new salesmen, Buster Andrews and Warren Moore, who will be expertly manning our newest location near Trenton, North Carolina. These two gentlemen bring with them a combined 60+ years of experience in the agriculture industry. They will share in the daily operations of the new Trenton retail location, as well as service growers in and around the greater Jones County area.

Remember that GETSCO Ag Services is an

authorized retailer for: **Bayer CropScience, BASF, Dow Agro-Sciences, Dupont, FMC, Monsanto, Syngenta,**

GETSCO Ag Services opens a new retail location near Trenton, NC servicing the greater Jones County Area.

and many, many others. We look forward to continuing to work with these companies throughout 2012. If you have any questions related to chemicals, or

brand availability, please call your local GETSCO salesperson.

It's important to note that as we grow, we gain market share that allows us to have increased buying and bargaining power. Additionally, GETSCO is always exploring the idea of opening additional retail locations in eastern North Carolina to better serve you. Our growth allows us to offer you the best personalized service at the most competitive price. We thank you for your support in 2011 and we look forward to serving you better in 2012!

Tobacco Greenhouse Material

As we have previously stated, GETSCO Ag Services is always working towards expanding our product lines and obtaining better buying positions. We have achieved just that with greenhouse materials for 2012.

GETSCO now has these greenhouse materi-

als available for you: The Gold Potting Soil, tobacco seed, Warp's Waterbed Plastic, batten tape, trays, greenhouse tops, fertilizers, and many others.

The Gold Potting Soil from Greenhouse Materials, is the **only** soil mix Cross Creek Seed uses in their 16 greenhouses to

grow tobacco plants sold to area growers. If you are not using The Gold Potting Soil we highly recommend you try it in 2012.

Talk to your GETSCO salesman before buying your greenhouse materials - we may be able to save you money in 2012!

odds & ends

GETSCO sells all varieties of cottonseed at very competitive prices. Check with your GETSCO salesman before ordering cottonseed!

Also, there is still time to place orders and receive early-order discounts for **Beck's Corn & Soybean seed for 2012.** (Other brands are available as well.) Let GETSCO be **your** seed supplier!

Call us — we are always available to serve YOU!!!

Customer Appreciation Luncheons a Huge Success

GETSco Ag Services held a Customer Appreciation Luncheon on December 14th in Middlesex and on December 15th in Elizabeth City. We had an overwhelming turnout in both locations, with Middlesex serving roughly 200 people and Elizabeth City serving about 100 people. We hope

those who attended enjoyed the meal and the fellowship. We look forward to making this an annual event at each GETSco Ag Services location. We want to give a special **THANK YOU** to AgXplore, BASF, Bayer, Beck's Hybrids, Beltwide, Cheminova, Chemtura, DeltAg, Dow, DuPont, FMC, Mana, and Nichino for co-sponsoring the event; as well as Ken Miller and his crew for cooking the delicious meals.

Jim Riggs, with Beck's Hybrids, answers a question on seed variety form local growers.

From our families to yours, we wish you a Happy, Healthy, and Prosperous New Year!!!

Bulk Lime & Nitrogen Solution

Many of you may not be aware but, GETSco sells **truckload quantities** of bulk Ag lime and nitrogen solutions (i.e. 24S, 30%) at very competitive prices. With GETSco growing the way it has in the past year, we will continue to have a better position with these and other products. Contact your GETSco salesman for a quote or more information about these products.
